

Public Charging Infrastructure – Hubs Round EV1

1. bp – six projects:
 - bp Dairy Flat, 5 chargers capable of charging 10 vehicles at once. \$564,948
 - bp Papakura, 5 chargers capable of charging 10 vehicles at once. \$654,148
 - bp Lynmore Junction, 5 chargers capable of charging 10 vehicles at once. \$603,685
 - bp Whanganui, 3 chargers capable of charging 6 vehicles at once. \$508,435
 - bp2Go Cromwell, 3 chargers capable of charging 6 vehicles at once. \$439,935
 - bp Queenstown, 3 chargers capable of charging 6 vehicles at once. \$357,348
2. ChargeNet, Kaikōura, 3 chargers capable of charging 5 vehicles at once. \$560,750
3. EVIP – four projects:
 - Whangārei, 5 chargers capable of charging 10 vehicles at once. \$826,216
 - Taupiri, 5 chargers capable of charging 10 vehicles at once. \$826,216
 - Tokoroa, 5 chargers capable of charging 10 vehicles at once. \$826,216
 - Balclutha, 5 chargers capable of charging 10 vehicles at once. \$826,216
4. Hikotron, Paeroa, 8 chargers capable of charging 8 vehicles at once. \$489,323
5. Meridian – three projects:
 - Richmond, 3 chargers capable of charging 6 vehicles at once. \$360,019
 - Kaikōura, 3 chargers capable of charging 6 vehicles at once. \$365,739
 - Culverden, 3 chargers capable of charging 6 vehicles at once. \$369,237
6. Network Waitaki – two projects:
 - Ōamaru, 2 chargers capable of charging 4 vehicles at once. \$421,880
 - Ōmārama, 2 chargers capable of charging 4 vehicles at once. \$245,000
7. Plug and Save, Whakatane, 3 chargers capable of charging 6 vehicles at once. \$315,000
8. WE.EV, Waitomo Te Kuiti, 3 chargers capable of charging 6 vehicles at once. \$318,556
9. Z Energy – six projects:
 - Z Energy Taupō, 6 chargers capable of charging 8 vehicles at once. \$692,000
 - Z Energy New Plymouth, 6 chargers capable of charging 8 vehicles at once. \$694,000
 - Z Energy Oxford St, Levin, 4 chargers capable of charging 5 vehicles at once. \$401,000
 - Z Energy Yaldhurst, 4 chargers capable of charging 5 vehicles at once. \$522,000
 - Z Energy Timaru, 2 chargers capable of charging 4 vehicles at once. \$250,000
 - Z Energy Mosgiel, 2 chargers capable of charging 4 vehicles at once. \$338,000
